Preliminary Checklist for LSPOA Application

**** NOTE: LSPOA or ECC is not responsible for locating property pins. If pins are not visible during inspections your application could be denied.**

Before Submitting your LSPOA Application for Improvements, please ensure the following minimum requirements are met depending on your project:

Paint/Siding:

- Attach product information material and color name for body, trim, accent, etc.
- Indicate where each color will be used, body, trim, accent, door, etc.

Tree Removal:

- Tree(s) that are less than 3" in diameter at 4' high do not require a permit to cut down.
- Tree(s) that are within 30' of your roof home eaves do not require a permit to cut down.
- Tree(s) must also be shown on a plan view of the Tree Removal Application or on separate plot map.

Standard on all applications below:

**** Plot Plan must have following requirements****

- All Property corner pins are marked and exposed for visual inspection.*
- Outside Edges or lines of proposed construction/improvement are clearly marked on the ground and are located on the plot plan.*
- Existing structures and/or slabs, setbacks, easements and distances to proposed construction/improvements from home and property lines are located on the plot plan.*

Fence:

- Fences on side and back yard (behind the front corners of the home) are to be no more than a 5' maximum in back yard and no more than a 3' maximum in front yard.
- Submit proposed material, colors, and height of fence.
- Must meet the material requirements of CCR and the 25% minimum see through space. (see chart handout)
- Easement Use Agreement if encroaching on easements.
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.
- Fence must have 25% visibility – Calculations listed below:

Fences Continued:

Choose One

Width of Slat – Inches	Size of Opening – Inches
1	5/16 (3/8)
1-1/2	1/2
2	5/8
2-1/2	13/16 (7/8)
3	1
3-1/2	1-1/8
4	1-1/4
4-1/2	1-1/2
5	1-5/8
5-1/2	1-7/8
6	2
6-1/2	2-1/8
7	2-1/4
7-1/2	2-3/8
8	2-5/8

Deck / Porch/ Pergola:

- Deck and/or Porch square footage stated on the plans.
- Submit proposed material, colors, and dimensions.
- May not be encroaching on easements.**
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.

Privacy Fence:

- Must be to enclose a patio or deck area.**
- Fences have a maximum height of 5', may be a solid fence.
- Submit proposed material, colors and fence height.
- Easement Use Agreement if encroaching on easements.
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.

Dog Kennels:

- Proposed material, colors, and fence height (maximum 6' in height, maximum 200 sqft.) Allowed in side or rear yard.
- Easement Use Agreement if encroaching on easements.
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.

Garden Fence:

- Proposed material, colors, and height of fence. Fence not to exceed 8' in height and not to exceed 400 sqft. or enclose more than 25% of rear or side yard. No white tipped steel posts allowed.
- Material to be constructed of see through wire or mesh with openings of 2" x 4" or less.
- Easement Use Agreement if encroaching on easements.
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.

Greenhouse:

- Show sqft. and dimensions of greenhouse (120sqft maximum, maximum height 10' and roof pitch of 4.5" x 12" minimum, no eaves required)
- Material to be clear transparent solid panels on all sides and roof (plastic film is not allowed). Lower section up to 5' can be solid if constructed of the same material and color as framing.
- No greenhouses allowed on easements or in setbacks.
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.

Shed:

- Generally 1 shed per lot, (greater than 120 sqft. requires a Siskiyou County building permit).
- Detailed method of construction: prefabricated, site-built, contractor-built, portable, etc.
- Show roof pitch minimum 2"rise x 12"run, shall be gabled or hipped.
- Show roofing material type and color. Match house roof as closely as possible.
- Show type of siding material. Matching house siding is preferred.
- Show paint colors. Matching body and trim of house is required.
- If prefabricated, attach commercial literature for shed.
- Easement Use Agreement if any improvement is on or over easement
- Must be located to side or rear of home.
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.

Miscellaneous Projects:

- Locate and mark all property pins.
- Project square footage stated on the plans.
- Submit proposed material, colors, and dimensions.
- May not be encroaching on easements.**
- Dimensions from property line to improvement in relationship to the home and other structures must be on plot plan.

Additions or Modification over 120 sqft. (Plans show the following):

- Scaled dimensions to property lines on plan view 3/16"= 1' minimum.
- Eave dimension from side of building to outside edge of eaves 18" minimum.
- Elevation Plans and Foundation plan.
- Roofing plan with truss calculations (truss calcs. can be email to lsपोacmpl@lakeshastina.com)
- Roof pitch 4.5" x 12" minimum.
- Decking, patio, sidewalks and stairs.
- Must meet title 24 Section 25-00-00 of the California Building Standard, Zone 16 energy calculations, Zone 3 seismic requirements.
- Payment for application fees.
- Roofing material and color, gutters and downspouts noted.
- Siding material and color.
- Locations of fuel tanks & HVAC Equipment.
- Sewer Hook-up fees paid.
- Driveway profile details.
- Copy of Siskiyou County Final Permit.
